

# ALLISON OSWALD

**Parents:** Gary and Marsie Oswald

**School Activities:** I take part in student council, FCS and softball.

**Hobbies:** Some things I enjoy as hobbies are sports, swimming, watching movies and hanging out with friends.

**Plans for College:** I plan on attending East Texas Baptist University to become an elementary teacher.

**What made you choose the college you plan to attend:** I chose ETBU because the campus and people were really nice and I know I will achieve a great education there. Plus ETBU is fairly close to home.

**What makes you a good friend:** I believe I am a good friend because I like to listen. If any of my friends are having problems, I listen to them and try to be comforting. Also, if they want me to keep a secret my friends can always count on me to not tell anyone.

**What is your favorite possession:** My favorite possession is my cell phone. I love to talk to my family and friends because I don't get to see them much so it's always nice to be able to pick up the phone and call them.

**What person do you most admire:** I most admire my mother because she is such a strong woman. My sister died at an early age, and my mom was able to deal with her loss better than most could. My mother also went blind for nine months from an eye surgery gone wrong, and she hardly ever complained. My mom has gone through so much but always gets through it. I love her so much and I do not know what I would do without her.

**What three words best describe you:** Someone might describe me as loyal, caring and fun.

**What are your three favorite movies:** My three favorite movies are "The Notebook," "A Walk to Remember" and "Pineapple Express."

**What is your idea of "fun":** My idea of fun is hanging out with my friends and just being ourselves- goofy and fun!

**Describe your "Dream Date":** My dream date is as simple as just spending time with my boyfriend. That is as perfect as it can get!
