**Hobbies:** I really enjoy drawing and photography.

**Plans for College:** I plan to attend the University of Arkansas in Fayetteville and major in Architecture or Finance.

**What made you choose the college you plan to attend:** The biggest deciding factor was my family. My grandpa went there and we are all die hard Razorbacks! Wooo pig!

**What makes you a good friend:** I am there anytime, any place, for anything any of my friends need. They can count on me for a shoulder to cry on, a helping hand and a ride to wherever!

**What is the best advice you ever received:** The best advice I have ever received was "Don't sweat the small stuff!" I can't say that I always follow that advice because I do sweat the small stuff, but I wish I could be a little more laid back!

**What is your favorite possession:** It has to be my iPhone. Please tell me something the iPhone does not do! It does everything!

**What person do you most admire:** I admire my mother. She can do it all and still have a smile on her face!

**Who is your favorite musical group:** I don't have one favorite! My car stays on XM Top 20 so I can listen to everything!

**What was your funniest moment:** I was at the lake with friends last year, and we were tubing. Our driver was crazy and kept taking us over these huge waves! We bounced over this monster of a wave, and I flew off the tube! After I finally stopped skidding across the water, I looked up to see that they didn't even know I

**Describe your "Dream Date":** My dream date would include sitting on the beach with a frozen drink and not a thing to worry about. Oh, and Megan Fox would be sitting next to me!
